New Creative Art Space Opens in Richmond's East End

Eastern Henrico's newest paint and sip company opening early 2019

RICHMOND, Virginia – Richmond's art scene is gaining a new canvas. Discover art events for the entire family and unlock trendy sip and paint events at The Art Lounge RVA where you can "reserve a canvas, unWine and get creative."

The Art Lounge will be the first of its kind in Eastern Henrico. Offering public and private paint parties, the Art Lounge will be the first of its kind in the area. Owned and Operator, Tequila Canty is a local entrepreneur who has been making waves on the art scene.

A self-taught artist, Tequila dreamt of offering the community a welcoming art space and began her search last year. While looking for the perfect home for The Art Lounge, she hosted art infused events including her signature "Virginia Creators Shopping Expo". The event attracted guests from all walks of life seeking handmade art, jewelry, clothing and lifestyle products such as soaps and candles. Entrepreneurs will have the unique opportunity to present their products during classes.

"When I began hosting art events, mainly private paint parties, I discovered that there was a void in Eastern Henrico. I vowed to find a location that could serve my community and offer many of the amenities of sip and paint venues found in the Fan and Western Henrico. It was a dream come true when I located our studio at 5203 S. Laburnum Avenue in the heart of Eastern Henrico county. We are surrounded by thriving neighborhoods and schools. The Art Lounge will be a creative haven for men, women, and children from all walks of life. We added a wall with angel wings to symbolize that the sky is the limit when it comes to both art and our lives." ~ Tequila

As she prepares for the future of the Art Lounge, Tequila is confident the sky is the limit. The space has been renovated boasting bright teals and yellows with new flooring. Amenities include wine service for adult events, a VIP rewards program and private and public classes. Owner Tequila remarked "Art is the foundation of our society and promotes wellness in both children and adults. Here at the Art Lounge we warmly welcome locals and visitors to tap into their creative energy and make memories with us."
